# A Crackerjack Suit for \$10

Never in the history of our business career were we able to give such values as there is in these suits. Bought from our regular houses but only in small lots as they were short pieces and we had them made to sell only. A Crackerjack we say at \$10.00! \$10.00!! \$10.00!!!.

# YARD SHORTAGE

Little Discrepancy Found by Secretray of the Navy.

By United Press Wire. Washington, Oct. 9.—A shortage of nateriol estimated at \$3,288,270.58 was ade known today as a result of the irst inventory at the Washington my yard in twenty-five years. The iscrepancy is attributed principally bad bookkeeping.

Secretary of the Navy Meyer issue statement which is a thrust at his redecessors conduct of the navy de

There was no suggestion of theft dever has employed expert account ints for the navy yards and develop a new system of keeping ac It was said today that in previous

ars proyer allowance was not made n the books for material in the course construction. The principal work at the Washing-

on yard is the manufacture of big | guns and the forgings and castings or these frequently costs above \$100,8 90. In many cases, it was said, the ard had issued material to ships, the nvolces for which were delayed for months and even years after delivery. Mileye Mellowia

The secretary also said that much work was sent out or the gun factory on rush orders during the war with Spain without being properly italy and Turkey as resalved itself billed. Inventories at the other yards, today into the accidental killing of in none of which gun making is cartwo men and a woman during the ried on, falled to show any such diserepancy as that the Washington yard with its ordnance shop.

It's barely possible, thought, that
